Office Update

After 4 months in post, Marcus and Angie now have a tidy, warm office and are understanding the tasks on our list to support the Circuit.

Please help us to help you by the following:

- The newsletter will be going out fortnightly. It is cascaded through church representatives and added to the circuit website. To ensure that your event or information is included, please email the office in good time, preferably a couple of weeks ahead.
- Information needs constantly updating. For example, contacts included in the circuit directory. Please email the office of any changes so that we can keep records up to date.
- Consider who queries need to be discussed with. Please telephone or email us if your query is something that we can help with. If we do not have an answer we can pass on, or suggest someone who does.
- It is wonderful having visitors to our office. To ensure that we hear your knock (we may be in a different part of the church) and to ensure the person you wish to see is here, it is helpful if you make an appointment with us. Please email or telephone the office.

*Thank
you*

The Week of Prayer for Christian Unity is 18 to 25 January.

The theme this year is based on Ephesians 4:4:

'There is one body and one Spirit, just as you were called to one hope when you were called...'

Lord Jesus Christ,
You bring us together in all our diversity,
as family and church.
In the face of so many situations on earth,
where hope has given way to despair
and hearts are wounded and emptied by
disappointment,
renew our strength and unify us.

Help us to share Your hope wherever we find ourselves.

You are the true Light,
who casts out the darkness of sin,
despair and brokenness,
who shines into our hearts, releasing the joy
and the true hope of Your eternal love for all.
Amen.

ECO Church

In the beginning, God created the heavens and the earth ... God saw everything that he had made, and indeed, it was very good.

Genesis 1:1, 31:5

As Christians, we believe that God created the world. We believe in the inherent goodness of creation, and we believe that God is active and present in the world – sustaining creation from moment to moment. As people made in the image of God, we believe we are called to reflect God's nature in being present and active in caring for creation.

"Closing our ears to the voices of those most vulnerable to climate change would be nothing less than giving up our claim to be disciples of Christ."

Hope in God's Future

There will be more information included in the circuit newsletter in the coming months on how to support our churches to work toward net zero by 2030.

Big Garden Birdwatch

Spend an hour between 23-25 January watching the birds in your garden for the Big Garden Birdwatch. Now in its 47th year, this vital survey monitors UK bird populations. Last year 592,265 people took part, and spotted 0,095,355 birds. The house sparrow came top, followed by the blue tit, and the humble woodpigeon muscled out the starling for the third year place. Log

birds you see within your chosen hour on the RSPB's website.

For more information and to register: <https://www.rspb.org.uk/>

A message from Rosemary (Burbage Church):

We are gearing up for the January bird count taking place over next weekend. Hope you all have fun with this.

By the by, the Circuit is hoping for an Eco - champion representative for each church. We are doing quite well with this and I appreciate your encouragement at all levels.

The Creation Care group first meet- up of the year is the Monday afternoon following the bird count for any who can make it.

Date/ Time : 26th Jan at 2 p.m.

Venue: Lowe's Coffee House at Greenacres' garden centre (along from 'Gates').

This is an informal gathering rather than a 'meeting'

Let me know if you can come.

Hurricane Melissa Appeal Update

January 19, 2026

Update on the Hurricane Melissa Appeal, run jointly with the Methodist Church in Britain.

Through our partners in the region, your support is ensuring that essential services are available for remote and hard to reach areas of Jamaica, impacted by the hurricane.

The Methodist Church in the Caribbean and the Americas (MCCA), a long-standing Church partner of All We Can and The Methodist Church in Britain, is

providing 1,000 hygiene kits, to be distributed across three parishes in Jamaica. In addition, the money is enabling MCCA to provide tarpaulins for homes and schools to help provide emergency cover where building repairs are yet to take place.

Food security needs are being met through the provision of breakfast meals and access to water is being facilitated through the provision of water tanks for water distribution. These comprise MCCA's multi-faceted response.

In recent years, All We Can and The Methodist Church in Britain have supported MCCA to improve their ability to mobilise response to emergencies, recognising the importance of the church for action for such a time as this. The local church is already present in, and known by, communities. As such, the local church maintains a privileged position to contribute to local community response.

We're also working with Water Mission, who are arranging water trucking to hard-to-reach communities in Westmoreland, St Elizabeth and Trelawny parishes, coupled with the distribution of jerry cans so families can safely store clean water at home. The work of Water Mission is complimenting the work of MCCA and vice-versa.

Your kindness is making a real, tangible difference.

Thank you for standing with these communities. We look forward to being able to share more updates soon.
