

The Methodist Church

**Northampton District
Hinckley Circuit 23/11
19th February 2026**

The calling of the Methodist Church is to respond to the gospel of God's love in Christ and to live out its discipleship in worship and mission.

Lent has now begun and is a 40(ish) day season of the Christian year that is a time of reflection for Easter. Many spend time in reflection as modelled by Jesus in Matthew chapter 4 verses 1-11 where he prayed and fasted for 40 days before beginning his ministry.

Eco-Church

Consider ways of going greener for Lent. The weeks leading up to Easter are a great way to start, or to give up something that benefits nature and helps address climate change.

Is there a change you can make to better care for creation and improve our lives and the lives of others through healthy and eco-friendly and sustainable living?

It would be such an encouragement to hear the things you are doing. Please let Rosemary and/or the office (hinckleycircuitoffice@gmail.com) know so that we can share ideas.

Many of us enjoyed taking part in this years' RSPB birdwatch in January. The results suggest that the house sparrow, blue tit, starling, wood pigeon and blackbird remain frequent visitors to our gardens. Reports also include frequent sightings of gold finches and great tits. Unfortunately green finches are now on a red list due to disease.

40 pence for 40 days

Will you take part in our 40 for 40 challenge this Lent?

By giving up 40 pence a day for the 40 days of Lent you can support local individuals and families facing hardship this Easter.

All you have to do is find an old jam jar or similar container and start collecting!

A Tapestry of Praise: Worshipping Together Interculturally

Join us for an inspiring online session with Revd Dr Kirk Sims, who will be sharing insights drawn from his rich experience in intercultural ministry.

Wesleyan theology calls us to shape worship that is attentive to context and responsive to the communities we serve. In this webinar, we will explore the theological foundations of **intercultural worship** and consider how worship can be re-imagined in our increasingly multicultural churches and neighborhoods.

Come and discover practical approaches, theological grounding, and new possibilities for nurturing intercultural faith communities.

Whether you are a church leader, a church member, or someone passionate about inclusion and justice, this webinar will offer a space for reflection and discussion.
