**The calling of the Methodist Church is to respond to the
gospel of God's love in Christ and to live out its discipleship
in worship and mission.**

Give thanks to the Lord, call on his name;

Make known among the nations what he has done.

Sing to him, sing praise to him;

Tell of his wonderful acts.

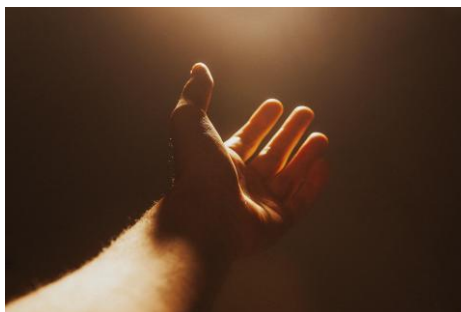

Glory in his holy name;

Let the hearts of those who seek the Lord rejoice.

Look to the Lord and his strength;

Seek his face always

Psalm 105: 1-4

Fairtrade Fortnight

21 September to 04 October

In the UK, for every £3.70 spent on a cup of coffee, producers typically retain just 4p. The people behind our favourite products deserve a fair deal. Fairtrade tackles this with **minimum prices** and the **Fairtrade premium**, giving farmers protection when markets drop and helping build stronger communities.

With now over 5,000 **Fairtrade** products your everyday shopping choices can help farmers earn a decent living, send children to school, empower women to build business and help protect the planet.

Look out for the Fairtrade mark

The Mark is used only on products which meet the internationally agreed social, environmental and economic Fairtrade Standards.

Reduce, Reuse, Recycle Week

Was 14 -20 September

“The UK sells uniquely high volumes of plastic packaged fruit and vegetables – around 81%, compared with [the] European Union where it is generally around 50%,”

<https://www.wrap.ngo/take-action/recycle-now/recycle-week>

While we can't recycle everything we would like to, we can recycle some items, paper and card, cans and some plastics for example. If we all strive to recycle all that is possible it really helps reduce the waste that goes to be incinerated.

Keeping non recycling out of our recycling bins also helps ensure that we can recycle everything possible. If there is non recycling in recycling waste the whole lot can't be recycled, so thinking about what goes into what bin is really helpful - **always check it before you bin it.**

Continue to recycle all blister packs at Boots the Chemist or in church bin allocated for these if yours has one.

Continue to rinse and take soft plastics to major supermarkets 'soft plastics cage' for recycling. I am amazed at how many we collect!

You are warmly invited
to join us to celebrate

25 years of The Vine

on Saturday 26th September

any time between 2-3.30 for
refreshments and a chance to
share memories with friends old
and new as we celebrate God's
goodness and enjoy fellowship
together.

The African Church is asking the global Christian community to stand with them against violent persecution in sub-Saharan Africa.

Churches are being destroyed and Christians murdered daily.

Open Doors, together with the church in Africa have launched a global petition to demand protection, justice and restoration for the region. The petition aims for 1,000,000 signatures by **01 November**. The petition will then be delivered to the UN, EU, UK and other national governments. As at the 23 September the total stands at 822,891.

As their brothers and sisters in Christ, we can pray for the situation and for those in power to take positive and immediate action. We know that God hears the cries of the oppressed and that we are called in Micah to act justly.

Please add your name to the petition. Forms can be downloaded by going to the open doors website below.

You can also sign online through the same link and add a prayer leaf. This is not just a signature, it is a matter of life and death for these people.
